

Extra class announcement!

Get your Extra class license and take your amateur capabilities to the top level.

The course is presented by the Golden Triangle Amateur Radio Club and Temecula / Murrieta Creator Space, and will be held on Sept. 6, 13, 20, 1 week break, then Oct. 4, 11, and 18 with a test session on Oct.25.

This course will expand your knowledge WELL beyond the basics of Amateur Radio, and prepare you to pass the Element 4 Exam, which grants you the highest, Extra Ham Radio License privileges.

Are you interested? Please join us for this RARE class.

This class is open to General or Advanced license holders. You will need the Gordon West WB6NOA Extra Class 2016-2020 study manual.

You can get a copy on Amazon or W5YI or at Ham Radio Outlet. The book is under \$25. The class itself is free of charge. The testing fee, required by the FCC, is \$15.00 USD (due at the time of test).

The class will be held at Murrieta's Innovation Center Creator Space location at 26442 Beckman Ct, Murrieta, CA 92562.

The class is open to the first 30 individuals who register by 09/01/2017.

To sign up please send an email to Jim AG6IF at ag6if@arrl.net or Mark N6WBC at mdhteach@gmail.com

Once you are signed up, you will receive an e-mail confirmation and more information.
