

# WEST RIVERSIDE COUNTY ARES<sup>®</sup>

## SIMULATED EMERGENCY TEST (SET)

**WHEN**  
**SATURDAY OCTOBER 22, 2022**  
**@ 1000 ~1100 AM**

### **WHERE** **INFO NET:**

- Keller Peak, EmComm Hub: 146.385(+) pl:146.2  
*Primary EmComm Information NET for SoCal area*

### **Resource Nets Repeaters**

- Banning Pass—Snow Peak: 447.080(-) pl:100
- Diamond Valley/Hemet RACES: 144.505(+) pl:100
- Lake Elsinore, Elsinore Peak: 144.895(+) pl:156.7
- Moreno Valley RACES: 449.300 (-) pl:103.5
- Temecula GTARC: 146.805(-) pl:100.00

## **OPEN TO ALL OPERATORS**

*The SET helps radio amateur operators gain communication experience using standard procedures and a variety of modes, under simulated disaster-response conditions.*

### **Activation of ARES Resource Nets**

**Scenario:** Following a major Earthquake on Thursday, a full-scale activation of local ARES members was initiated. This SET continues the activation with an Information NET on the Keller Peak repeater providing updates and directing Operators to local ARES Resource Nets on multiple repeaters. A NET Control Operator will run the Resource Net for approximately one hour as a training exercise and demo, taking check-ins from all Operators wanting to participate. There will be NO actual deployments for this exercise.

**All Operators are welcome.**  
**No Experience needed. In-**  
**structions will be given.**
